Swiftlet Home & JSF sponsors Invest Expo, a new way to invest.

17 Sept 2019 : Invest Expo 2019 has achieved another milestone by securing Swiftlet Home and JSF as sponsors for the event.

Invest Expo strives to educate visitors about the wide array of investment options available in the market. With the participation of the duo, it has further strengthened the organizer's objective to provide a diversify range of investment product all under one roof.

Swiftlet Home is the first in Sabah to introduce the construction of swiftlet farming homes using prefabricated technology materials that are fast-tracked, affordable and guarantees success. The design and concept ensure suitable breeding ground for swiftlets as the structures are pre-tuned perfectly with precision to create the right condition for swiftlet habitat.

JSF Platinum connects investors to businesses. They seek out companies in high growth industries, backed by experienced management team with proven track records that require additional working capital and funding. Their aim is to connect investors to viable businesses for mutual benefit and growth.
